In an article dated August 3, 2022, Novi list published an article about Ičići beach as one of the "biggest and most well-kept bathing spots on the Opatija Riviera", which "stretches for more than 400 meters and attracts visitors with facilities for all generations".

"Restaurant, cafes, fast food, volleyball court, trampoline, Aqua Zone, are only part of what the beach has to offer, which is suitable for all ages, and it is important to note disabled access to the beach itself and to the sea."
